How to Sell Yourself

A diverse history of the thought, philosophy and evolution of consciousness which has shaped the Western Mystery Tradition and the
practice of modern ritual magic.

2021 Reprint of the 1909 U.S. Edition. Full facsimile of the original edition and not reproduced with Optical Recognition Software. "This book contains in concise tabulated form a comparative view of all the symbols of the great religions of the world; the attributions of the Taro, so long kept secret by the Rosicrucians, are now for the first time published; also the complete secret magical correspondences of the Golden Dawn are provided. In short, the book provides a complete magical and philosophical dictionary as well as a key to all religions and to all practical occult working."-from Advertisement. "For the first time Western and Qabalistic symbols have been harmonized with those of Hinduism, Buddhism, Mohammedanism, Taoism, etc. By a glance at the tables, anyone conversant with any one system can understand perfectly all others."-from Advertisement.

At last, a book about Babalon that is actually a book of Magick! Mystery Babalon: the Bhaktic and Ecstatic Rites of Babalon is an incredibly ambitious book designed for both the life-long devotee and occasional practitioner. People of all types, preferences and persuasions will find useful tools here to help them in their quest for union with Babalon and Her energy. You may pursue a Bhaktic Path
which is devotional and ritualistic in its nature, or you may pursue the Ecstatic Path which is sensual and carnal in its Rites. And of course many people pursue both paths, as the choice is yours according to your own Will. Within these pages you will find sound information and practical guidance from a Priestess of Babalon who has practiced the Orphetic Mysteries for almost three decades. Learn how to set up your Shrine, how to prepare yourself for the Rites, and how to perform them. There are Rites for solo devotees, lovers or small and large groups. Everything has been put at your fingertips to get you started with the ways of Babalon, like no other book before it! Hagia Aureavia has adapted these Rites for the general public from some of those used in her private Temple over the years. Designed for a broader uninitiated audience, these Rites have been made as non-denominational as possible so as to be appealing to people from all backgrounds and inclinations. Within the pages of this large tome you will find five sections. Part 1 is Philosophy & Cosmology which focuses on expounding the ontology and teleology of Babalon and Her Allies, as well as the new (yet in actuality very ancient) philosophy which they divulge to mankind. Part 2 is Preparations for the Shrine and for the Rites. Part 3 are the Invocations, Hymns, Adorations and Prayers which are used throughout the Rites within the book. Part 4 is the Bhaktic Rites of Babalon,
which forms the beginning of the heart of the book. Here you will find a bevy of devotional Rites to perform within your Shrine. This includes the Daily and Periodic Rites, Rite of Devotion, the Rite of Convocation, and the Bhaktic Rites of Babalon. Given along with these Devotional Rites to Babalon are the optional Rites to Ra Hoor Khuit. These rites are for those who also feel a calling to the Brother of Babalon, who is the Lord of the Aeon. This includes the daily Adorations of Ra Hoor Khuit are given along with the many Mudras given by the Brotherhood of the Midnight Sun, the Devotional Rites of Ra Hoor Khuit, which are powerful rites utilizing both the Cakes of Light and the Cakes of Life, and for those few brave women who aspire to be concubines to Ra Hoor Khuit as delineated in the third chapter of Liber Legis, there are the Blood Rites of Ra Hoor Khuit. Part 5 is the Ecstatic Rites of Babalon, which forms the complimentary rites to the Bhaktic practices of the previous section. Here, the Balanced Ecstatic Path is explained. Here one is prepared for the incredible bliss of worshiping Babalon through the senses, with details given on how to avoid common pitfalls in the Persona under the influence of such powerful and life-altering energies. This includes the Rite of Sappho, the Rite of Pan, the Rite of the Twin Flame, the Rites of the Holy Whore, the Ecstatic Rites of Babalon and the Hieros Gamos to Babalon. As if this wasn't enough, the book is rounded out with the
Appendices, which cover the world-wide Shrine System initiative, Ophidian Thelema and the Temple of Babalon, the Gematria of the Ophidian Kabbalah, as well as a large Glossary of Concepts which defines many of the obscure terms and concepts used within the text. Mystery Babalon: the Bhaktic and Ecstatic Rites of Babalon is an ambitious book, distilling decades of knowledge and experience down to practical rites which anyone can use. Finally there is a reliable book which gives everything anyone could need to help them on their path of being a Devotee of the Goddess Babalon.

Here for the first time, the head of a genuine Magical Organisation reveals the esoteric doctrines of the 'black' magic of the Left-Hand Path, as well as the practical applications of psychosexual formulae of which very little is generally known.

An occult classic and a Dion Fortune bestseller of strongly growing interest. Fortune was one of the first to bring this “secret tradition” to a wider audience with her clear and comprehensive exploration of the Qabalah tradition. The Mystical Qabalah remains a classic in its clarity, linking the broad elements of Jewish
traditional thought—probably going back to the Babylonian captivity and beyond—with both Eastern and Western philosophy and later Christian insights. The Qabalah could be described as a confidential Judaic explanation of the paradox of “the Many and the One”—the complexity and diversity within a monotheistic unity. Whereas the Old Testament outlines the social and psychological development of a tightly knit “chosen group” culture, the supplementary Qabalah provides a detailed plan of the infrastructure behind the creative evolutionary process. The Mystical Qabalah devotes a chapter to each of the ten schematic “God-names,” the qualities or Sephiroth which focus on the principal archetypes behind evolving human activity: the Spiritual Source; the principles of Force and Form; Love and Justice; the Integrative principle or the Christ Force; Aesthetics and Logic; the dynamics of the Psyche; and, finally, the Manifestation of life on Earth in a physical body.

This book features the greatest minds of magic assembled in one place! Compiled by two of the leading figures in the magick community, this new hardcover title in Llewellyn's Complete Book series includes more than 650 pages of fascinating insights into the
history and contemporary practice of ritual magick. With contributions from dozens of top authors, this book brings the practices, theories, and historical understanding of magick into the 21stcentury, including in-depth chapters on: Foundations of Western Magick • Qabalah • Demonology & Spirit Evocation • Alchemy • Planetary Magick • Enochian Magick & Mysticism • The Magick of Abra-Melin • The Golden Dawn • Thelema & Aleister Crowley • Polytheistic Ceremonial Magic • Magician's Tables • The Future of Ceremonial Magick

The Keys of Ocat reveals the never before published Saturn rites, seals, and theophanic gate opening rituals of Ocat, the abyssal gatekeeper of the dead. Behind His gates dwell the Daemons of death including Euronymous, Balberith, Bune, Hekate, Frucisierre, and many others. These blood magick rituals, talismans and seals will aid the advanced magician in conjuring Daemons to speak with the dead, commune with death, and discover the true meaning of mortality and spiritual immortality. Be forewarned, however, Ocat is not known to be a friendly gatekeeper to all magi who approach Him, and the Daemons behind His gates are some of the most terrifying of their nature.
In the first comprehensive and unflinching overview of the erotic initiation and sexual sorcery essential to the mysterious magical tradition known as the 'Left Hand Path', this complete guide covers an enormous array of taboo and previously forbidden practices. Penetrating the veil of secrecy and obscuring the ecstasies and dangers of a way of magic that can be a powerful instrument of psychic transmutation, this is a sometimes disturbing, always inspiring study of the shadow side of eros.

Flyball, a space cat, is returning from Venus when his ship is hit by an asteroid and lands on Mars, where his explorations lead him to Moofa, a female cat.

A unique and humorous -- and also practical -- approach to the increasingly popular study of Qabalah. This is a seriously funny book! Traditional Qabalistic (or Cabalistic, or, indeed, Kabbalistic -- read this book to find out what the difference is, we know you've always wondered) sources tend to be a bit, er, dry. DuQuette spices up the Qabalah and makes it come alive, restoring the joy of learning the fundamentals of this admittedly arcane system by using simple, amusing anecdotes and metaphors. This account, written psuedepigraphically (fictitiously attributed to a supposed
authority), allows DuQuette as Rabbi Lamed Ben Clifford to soar to outrageous heights and, when necessary, stand apart from the silliness to highlight the golden eggs of Qabalistic wisdom nested therein. Sure to be a revelation to those who think that learning about the Qabalah needs to be tedious and serious, DuQuette shows that great truths can be transmitted through the medium of laughter.

First published in 1937, Israel Regardie’s The Golden Dawn has become the most influential modern handbook of magical theory and practice. In this new, definitive edition, noted scholar John Michael Greer has taken this essential resource back to its original, authentic form. With added illustrations, a twenty-page color insert, additional original material, and refreshed design and typography, this powerful work returns to its true stature as a modern masterpiece. An essential textbook for students of the occult, The Golden Dawn includes occult symbolism and Qabalistic philosophy, training methods for developing magical and clairvoyant powers, rituals that summon and banish spiritual potencies, secrets of making and consecrating magical tools, and much more.

The work that is being presented in “The Book of Smokeless Fire” is based on a very little known and overlooked Solomonic text simply
known as "Miscelaneo de Salomon," which amazingly mirrors that of Lovecraft's, "Necronomicon" both in content and history.

This is the first in a series of courses designed to give a complete introduction to the Initiatic Kabbalah. The World of Klipoth introduces the student to the lowest levels of the Tree of Life, which correspond to the lowest levels of the consciousness. By understanding these levels any student can understand how to ascend the Tree and thereby free themselves of suffering. "The adverse Sephiroth are the Klipoth; here we find the demons, the souls in penance, the ones that suffer, those that have already finished their cycles of existence and that devolve within time, the fallen Angels, the tenebrous of the lunar path, the black lodge and all of the adepts of the Left-hand Path"

You're about to learn secrets most people will NEVER know about godlike power. Receive the ULTIMATE introduction to performing ritual magick and ignite your eternal ascent with bestselling author E.A. Koetting. * Unlock the magick of E.A. Koetting's entire collection of

Ch.10 - Love Magick p.109
Ch.11 - Baneful Magick p.119
Ch.12 - Necromancy p.129
Conclusion p.145

Israel Regardie wrote The Tree of Life, a book many consider his magnum opus, in 1932. It has continued to sell for decades. And no wonder. Up until the time this book was published, very little information about true high magic was available to the public. In this book, Regardie reveals the secrets of real magic. He begins with an explanation of what magic is and, just as importantly, what magic is not. He explains that it is a spiritual study and practice which, along with forms of yoga, forms the two branches of the tree that is
mysticism. Magic is not being a medium or a psychic. Then he explains the tools of the magician, what they mean, and how to use them. He explains the techniques of evocation and invocation, skrying, and astral travel. He shows how the Qabalah unites everything. He even gives a description of the secrets of sexual magick. All of this is in a clear, lucid writing style. This book is simply a must for anyone who is, or aspires to be, a real magician. Although Chic and Sandra Tabatha Cicero were friends of Regardie and are Senior Adepts of the Hermetic Order of the Golden Dawn, what changes could they have made to this classic book? Well, they did change the spelling from British style to American. And they did change his transliterations of Hebrew into the more popular style he used in his later books. But nothing vital was changed or removed. Everything else they added was complementary to the text that was there. And what incredible additions they are! Extensive annotations throughout every chapter; over 100 illustrations; more descriptive contents pages; a glossary, a bibliography and an index. They've even added a biographical note on Regardie and the importance of this book to him and to the occult world. This book contains some of the finest occult writing that has ever been produced. And with the new material by the Ciceros, it becomes a must-have for any magician!
The magick of demons can lead to a life of success, power and extraordinary peace. Demons will demolish enemies, enrich bold ventures, satisfy material desires, and provide you with wisdom, charisma, healing and persuasive dignity. The beauty of demonic magick is that spiritual growth arises from material pleasure. If these are works of darkness, they bring great light. Demons of Magick provides you with three rituals for working with the seventy-two demons of Goetia. The first method is a way to petition for a simple result. The second method is Connective Evocation, where you sense the presence of the demon, to obtain knowledge. The third method provides you with the instructions for a Full Evocation, with the demon brought to visible appearance. Each of the seventy-two demons is proficient in several areas, and all of their powers can be used alone or in combination. You have thousands of sophisticated powers at your disposal. Gordon Winterfield says, 'My intent in creating this book has been to offer something genuinely original, and unobtainable elsewhere, based on the wisdom of experienced, practicing occultists. I have no interest in peddling the same weary methods that can be found elsewhere. It is therefore unavoidable that the contents of this book will challenge much of what has been said on the subject. The magick in this book is a modernized, workable method, and will violently contradict many beloved theories and
beliefs. This book may offend you, but if you are open-minded, I believe you will find a method that works for you quite readily.' You will discover: The secret Evocation Keys for attracting the demon to you. The names of 288 angels used to constrain the demons. 144 demonic and angelic seals. 72 colored sigils for working the rituals. The Ritual Opening that calls on five archangels. Words of Power for achieving altered states of consciousness. The safest and simplest methods for evoking demons.

Linda Falorio, creator of the Occult bestseller, The Shadow Tarot, is an internationally recognized artist and writer. The Shadow Tarot, first published in 1988 has been distributed in countries all around the world and is in use on every continent of the Planet. This newly released and much anticipated edition of The Shadow Tarot includes full color images of all seventy-eight cards representing both Major and Minor Arcana. The Major Arcana cards are based on the twenty-two paths of the Qliphoth described by Aleister Crowley in his Liber 231 and further embellished by Kenneth Grant in his The Nightside Of Eden. The Minor Arcana of this new edition arise from the entities described in the Goetia. The Shadow Tarot has been created as an exploration tool for delving into those areas of the psyche that find their reflection in the Collective Unconscious and the Archetypal
Shadow. The images represent the Nightside of consciousness as opposed to our ordinary "dayside" reality. Through her art and writing Linda seeks to create a direct outré experience in the viewer of transforming states of self-awareness; to open Gates into vast, unexplored inner geographies of the psyche, finding beauty and power in the twistings and turnings of the Inner Labyrinth. The artist is also known for her magickal altarpieces, for magickal portraits and for interpreting personal symbols and dreams on canvas.

This book will be of interest to a wide range of readers, from students of Ancient History and early Christianity, to Qabalists and modern magicians. Extensive notes and citations from original sources will make this authoritative work an essential reference for researchers and practitioners for years to come. Includes are appendices for tables of alphabetic symbolism, a list of authors, and a numeric dictionary of Greek words, which represents the largest collection of gematria in print.

An expanded edition of Dr. Stephen Skinner's classic set of tabular correspondences. Anyone practicing magic won't want to miss this comprehensive book of magician's correspondences. Featuring four times more tables than Aleister Crowley's Liber 777, this is the most
complete collection of magician's tables available. This monumental work documents thousands of mystical links-spanning pagan pantheons, Kabbalah, astrology, tarot, I Ching, angels, demons, herbs, perfumes, and more! The sources of this remarkable compilation range from classic grimoires such as the Sworn Book to modern theories of prime numbers and atomic weights. Data from Peter de Abano, Abbott Trithemium, Albertus Magnus, Cornelius Agrippa, and other prominent scholars is referenced here, in addition to hidden gems found in unpublished medieval grimoires and Kabbalistic works. Well-organized and easy-to-use, The Complete Magician's Tables can help you understand the vast connections making up our strange and mysterious universe.

Publisher Fact Sheet Explains in clear, simple, easy-to-understand, common sense terms the skills readers need to get their message across in any speaking situation.

The Original Account of the Teachings, Rites and Ceremonies of the Hermetic Order of the Golden Dawn as revealed by Israel Regardie, with further revision, expansion, and additional notes by Israel Regardie, Cris Monnastre, and others. A comprehensive index has been supplied by noted occultist David Godwin for this new edition.
Originally published in four volumes of some 1200 pages, this 6th Revised and Enlarged Edition has been reset in half the pages (retaining the original pagination in marginal notation for reference) for greater ease and use. Corrections of errors in the original editions have been made, with further revision and additional text and notes by actual practitioners of the Golden Dawn system of magick, with an introduction by the only student ever accepted for personal training by Regardie. The Golden Dawn, once a secret order, was one of the most prestigious groups flourishing at the turn of the century. Membership included such notables as W. B. Yeats, Aleister Crowley, Dion Fortune, Algernon Blackwood, Arthur Machen, Lady Frieda Harris, Brodie Innes, S.L. MacGregor Mathers, A.E. Waite, Evelyn Underhill and W. Wynn Westcott. Its influence on 20th century spiritual science has been enormous!

One of the most trusted reference works ever published on the Cabala has been revised and expanded. Featuring a new and more usable format, this book is a complete guide to cabalistic magick and gematria in which every demon, angel, power and name of God every Sephirah, Path, and Plane of the Tree of Life and each attribute and association is fully described and cross-indexed by the Hebrew,
English, and numerical forms. All entries are now incorporated into one comprehensive dictionary. There are hundreds of new entries and illustrations, making this book even more beneficial for Cabalistic pathworking and meditation. It now has many new Hebrew words and names, as well as the terms of Freemasonry, the entities of the Cthulhu mythos, and the Aurum Solis spellings for the names of the demons of the Goetia. It contains authentic Hebrew spellings, and a new introduction that explains the uses of the book for meditation on God names. The Cabalistic schema is native to the human psyche, and Godwin's Cabalistic Encyclopedia will be an invaluable reference tool for all Cabalists, magicians, scholars and scientists of all disciplines.

THE ORDER OF PHOSPHORUS is an initiatory order of practitioners focused on Luciferian and Left Hand Path Magick and ideology. While traditional Cabalists and Magickans view the Qlippoth as an Unclean and perverse inversion of the Tree of Life, suggesting that those who practice Magick avoid it due to the dangers within. The 22 Scales of the Serpent are the Spheres and Tunnels of the Qlippoth which allow the Black Adept or Luciferian the ability to gain power from the depths of knowledge. Qlippothic demons and Archdemons are deep symbols of primal wisdom and possibility.
Qliphoth journal is a grimoire focusing the diverse paths of magick in its entire splendor. Our main focus is to cross the paths of knowledge via praxis ritual and gnosis, working intensely in each one of the volumes offered here. Through this third opus called The Cycles of Primal Kaos, the focus is to go back to such primal states of consciousness through the methods of atavistic resurgence awakening the immortal essence of the self, through the development of our own divinity with direct experience with spirits, servitors, guardians, and loas of our own temples. It is there where the sacred nectar's are consumed where the secret seed incarnates, through the hidden labyrinths and the secret wisdom veiled by the tendrils of Trans human entities So then, we enter once again The Cycles of Primal Kaos. -Edgar Kerval, 2013

This is a book of the key text of the Kabbalah, a work known as the Zohar ("Splendour"). The Zohar is a commentary on the Torah and although it is sometimes ascribed to a second-century rabbi, Simon Bar-Yochai, the form in which it is most widely known originates with Moses of Leon, a native of Granada, who died in 1305. The kabbalists believe that the undefinable origin of all things is Ein Sof - the cause of causes, the infinite, that which underlies everything. The universe emanates from the divine in successive layers called
esefiroti. Everything exists in God, but God extends infinitely beyond existence. All we know and are is linked together, pervaded and maintained by the divine. According to this work, the light of God must be concealed in order to be revealed to creation. Even though the kabbalists believe that ultimately Ein Sof is beyond expression or understanding, the contemplation of God's presence in all things causes our thoughts to be purified.

This is a new release of the original 1925 edition.

Lilith is one of the most well known Dark Goddesses. She's the Queen of Sitra Ahra and the Serpent who tempts men with knowledge, encouraging them to look for the Antinomian path of Self Deification. Goddess of Bloody Moon, Sacred Prostitute, and Hag of the Night. Lilith, the Goddess of a thousand masks and guises, is explored thoroughly in this book through different rituals, ceremonies, poetry, and art. This anthology has been written by different magicians of the Left-Hand Path - people with a true vocation and dedication to the path of the Red Goddess.

The first book to examine the spiritual and therapeutic practice of
retreat in physical darkness to explore inner light • Shows how experiencing complete darkness over prolonged periods helps in developing mental clarity and creativity • Draws upon many indigenous and spiritual traditions that use this technique The use of ceremonial darkness is a classic and cross-cultural method for exploring hidden aspects of unconscious and super-conscious states, accessing invisible landscapes, and embracing the deeper recesses of the self. In Darkness Visible Heaven and Buxton examine the spiritual and therapeutic practice of taking retreat in physical darkness. For millennia mystics and sages have used darkness as a spiritual tool for breaking with their pasts, prior conditioning, and the limited reality of their societies. Spiritual seekers from many traditions--Celtic, Eastern, indigenous North and South American, Tibetan, and African--have used darkness as a tool for spiritual enlightenment. Heaven and Buxton show how experiencing complete darkness, even for only a period of hours, brings about a remarkable clarity and mental stillness and thus provides a springboard for creativity, intuition, and spiritual development. They include exercises that explore lucid levels of dream consciousness, drawing both from their experience as teachers of this method and from the many cultures that include this practice in their spiritual traditions. Darkness Visible shows how deprivation of sight can truly
teach us to see.
